Hari Om Timber

www.indiamart.com/hariom-timber

We are a leading manufacturer and supplier of Wooden Packaging Material of optimum quality. This packaging material is manufactured using quality wood.

Profile

Incepted in the **year 1996**, we, “ **Hari Om Timber**”, are one of the proficient manufacturers and suppliers of **Wooden Packaging Material**. We hold specialization in providing chemical impregnated, kiln seasoned timber and country wood. Further, we are a renowned wholesaler of premium quality plywood, which is made available in varied sizes. These products are highly appreciated for termite resistance & reliability and are extensively used in food & beverage industry, distribution and chemical industries for packaging purposes.

We are looking query's from Maharashtra, Rajasthan, Gujarat, Silwas, Daman, and M.P (Indor) .

We have well-equipped and most-advanced factories located at Sachin in Surat district of Gujarat. Possessing vast experience in wood process business, we have been capable of developing our own scientific design and product development facilities. This enables us in formulating new methods for upgrading our wood packaging material and wood processing. Usage of most sophisticated technology in our production and quality raw material helps us offer quality-assured wooden packaging material to our clients.

Under the superior guidance of our mentor, '**Mr. Narendra Patel**', we have been able to reach a remarkable market position. His rich industry experience and vast knowledge of the packaging industry has helped us in developing a vast client base across the nation.
